THAKRAN FARMS & DHANI

Thakran Farms and Dhani- Paradise for Nature Lovers, is away from Gurgaon. It is built on a lush green land of 25 acres, it is blissfully secluded from the modern corporate world. The entire setup reflects the culture of our rural heritage.

It's a traditional farm retreat with open-air dining and a bunch of fun activities – but good for us that it's a healthy mix of comfort and rustic.

RATANGARH FARM

Moreover, Ratangarh Farms provides an enlightening and illuminating experience of being one with nature, and getting a first hand feel of farming, seeds and crops, vermiculture, composting, dairy, poultry and allied activities. All this in an extremely engaging and interesting way. Knowledge and information gained through such a tour or trip proves invaluable to young minds since it is a way of learning without seeming to be so. This is, of course, in addition to our vast variety of in-house activities and games.
